## **GARETH WAUGH – *Oh Boy....!***

Sportsmans, Gilded Balloon Teviot  
1<sup>st</sup> – 27<sup>th</sup> August at 3pm

*‘Plenty laughs... an early afternoon treat’*

List (2017)

Still just one comedian...

Add one failed rap career...

Plus a totally sold out 2017 fringe debut at 1.30pm...

So no pressure then with the tricky 2nd solo hour...

Sequel to Gareth’s 2017’s smash-hit sellout debut about Honesty, his new show is all about the Law of The Playground, traveling companions from hell and accidentally fulfilling your teenage bucket list (if you exclude the failed rap career).

Hailed by the BBC as ‘one of the fastest rising stars of Scottish comedy’– *Oh Boy...!* is an equally ambitious hour from one of Scotland’s most exciting emerging writing and standup talents.

In 2017, Waugh sold out his entire solo debut at the Fringe, despite being on at 1.30pm in the afternoon (a time when most comedians aren’t even up yet during August) and despite the best efforts of his so called comedian friends in keeping him up late partying every night. His brilliant show “Honestly” garnered great reviews and superb word of mouth with extra shows being added in week 3 due to demand. Since then, Gareth has been going from strength to strength as a writer and performer and becoming a regular compere at Scotland’s biggest comedy clubs.

He tours with some of the hottest names in comedy including Daniel Sloss, Katherine Ryan, Tom Stude and Tony Law. He’s also a two-time Scottish Comedian of the Year finalist and winner of Radio Forth’s *Big Comedy Audition* and has appeared on BBC’s *Scot Squad* as well as numerous radio shows including Radio 4’s *Speakeasy*, *John Moloney Show*, *Radio 4 Xtra Stands Up*, BBC Radio Scotland’s *Breaking the News*, *The Good, the Bad & the Unexpected* and *Live at the Stand*.

*‘Hugely personable young Scot.... very funny... amiable and assured... Gareth Waugh is smart, witty and good company, with a deceptively polished delivery. And that’s the truth.’* Scotsman

*‘This is proper stand-up: excellent callbacks, self-deprecating humour, brilliant stories delivered in a dry Scots accent’*

Broadway Baby

*‘Surprising and funny...nicely crafted lines...tightly honed, self-mocking... impishly light-hearted... bigger things likely await.’*

Chortle

*‘Loads and load of laughs...Potential to be a major player in Scottish if not world Comedy’*
